

Did you know?

The cost of living has gone through the roof! Gas and groceries alone leave many of feeling like there is more "month than money", and finding room in our personal budgets for charitable giving has become next to impossible for many of us! Here's a solution that DOESN'T COST ANY MORE MONEY THAN WHAT YOU ALREADY SPEND LIVING!

At Durham Youth Services, we are on a mission to support young people at-risk or experiencing homelessness right here in Durham. We've partnered with FundScrip in a really cool gift card campaign. You can purchase gift cards on-line to stores, restaurants, gas stations - all the places you'd go anyway. The gift cards are shipped right to you and you don't incur any administrative fees. And then, for every dollar you purchase, the **RETAILER** will make a donation to Durham Youth Services. Pretty cool, right???

Take a look at the retailers listed, and consider supporting Durham Youth Services (our invitation code, if you're asked for it, is 8VF47V)
